

MEET THE TEACHER

About Me

I knew I wanted to become a primary school teacher whilst I was at college when we began going into schools and completing placements. I loved working with groups of children and helping them with their work and seeing the lightbulb moment when they understood!

This will be my second year at Bursley Academy. I have got lots of experience working in different schools. When I finished university, I did lots of supply teaching where I would go and teach in a variety of different schools, with children of all ages.

I know we are going to have plenty of fun together in year 2, exploring lots of exciting things, whilst learning together along the way!

I can't wait to meet you all!

Miss Sant

My Favourites

Animal: A dolphin! I was lucky enough to swim with dolphins on holiday and it was amazing!

Book: Charlie and the Chocolate Factory, although it always makes me want to eat something sweet!

Colour: Purple.

Film: Harry Potter.

Food: Pasta - I love spaghetti bolognese!

Hobby: In my spare time I enjoy going running. Me and my friends also go on big walks together and we have also climbed Snowdon! I also love to bake, but I don't think I would make it on The Great British Bake Off!

Sport: Swimming.

Subject: Art. I love to do all things crafty and creative, even if I'm not the best drawer!
