

# MISS SHEVCHENKO YEAR 5 TEACHER

## Introduction.

I have just started my teaching journey. This means that you are my very first class! While studying to become a teacher, I have been in a Year 3 class and a Year 1 class. It is going to be a pleasure to teach in Year 5! I am new to the school, so I hope you can all show me around.

I am so excited to get to know every single one of you! We are going to have a wonderful year!!!

## My Family.

In my family I have my stepdad, sister, brother and mum. I am the oldest out of all the three. We are all 3 years apart. When we were younger and up to now I have been looking after them. I live with my partner and our 2 children. I am also an auntie to my 2 year old nephew.

## What I Like To Do.

I love playing games like Zelda: breath of the wild/ tears of the kingdom. I also watch documentaries about the world (History and under the sea are my favourite). Me and my family go on long summer walks, our longest was 10KM! Once (sometimes twice a year) we go to Scotland. It's one of the best places. We visit the beach, forest and eat lots of tattie scones. I bake bannana bread most weeks, I have been told it's "the best."

## When I Was Younger.

Years ago (I mean many, many years ago) I was part of a drama club called The Luton Players. We performed lot's of shows such as Alice in Wonderland and a comedic version of Little Red Riding Hood. I also took dance in secondary school, we had an end of year show where I had a ballet solo. I love to use drama in my teaching!

## My Pet.

My pet dog is a minature dachshund called Olive. She is nearly 2 years old and is treated like a baby! We take her to see her friends on the field 2 times a week. She thinks that she is the boss despite being the smallest dog. She loves to eat cheese and to chase birds! She has lots of naps throughout the day. Her favourite thing to do is cuddle, especially under my snuddie. We are thinking of getting her a little friend soon.
