

Hi!

Mrs Rafferty

Assistant Vice Principal and EYFS Lead At Bursley Academy

Hello! I am Mrs Rafferty. You won't see me around much this year as I am due to have my second baby in July. I am very excited but I will also miss working with all our children at school and I'll miss meeting the new children who are due to join us in September.

My favourite story to read to my class is...
Anything written by
Julia Donaldson

I have worked at Bursley for 12 years! In those 12 years I have taught Year 5/6, Year 1/2 before becoming the lead teacher in EYFS where I taught Nursery and then Reception.

My passion is Early Years, I love and am very proud of our early years department. I love all aspects of our curriculum because we can be as messy, as creative and as noisy as we want and we can use the outdoors as an extension to our classroom! How awesome!

It is a joy to come to work everyday as we have so much fun together!

**SUPER
FUNTIMES**

What am I scared of...
I like to think I'm quite brave
but I really don't like birds!

My favourite food/Cuisine is
Thai. I love Pad Thai Noodles!

In my spare time, I enjoy spending time with my family. My little girl, Lucy, is 3 and we enjoy taking her to different places and giving her lots of exciting experiences, from flying kites in our local park to going on holiday.

I also like to ski but I haven't been on a skiing holiday for a few years now. Hoping that we can go again soon. I think Lucy will love it, she is a bit of a thrill seeker!

I hope you all have a fabulous school year!
Remember to always work hard to reach your potential!
