

Mrs Green

Reception Class Teacher/EYFS Lead
Senior Leadership Team / SENDCo

I always wanted to be a teacher from a very young age and knew when I went to college and university that is definitely what I wanted to do as a career. I like to create awe and wonder in children and develop imagination through all the activities I try and plan.

I have worked at Bursley for 11 years and have worked in most year groups, but I love working in EYFS. I like being one of the first teachers that welcome the children to our Bursley Family.

I love dancing, singing and acting and I have been in lots of amateur shows in the local area. I co-run a local theatre company with Mr Green and Mrs Pickles.

I like having lots of fun with children in my class, making children smile ☺ and creating lots of memories together.

LET'S GO TO THE MOVIES!

My favourite foods are chicken tikka masala and a roast dinner.

At the weekends, I like to spend time with my family and go on long walks, but some times I just like having a pyjama day watching Disney films.

My favourite Disney princesses are Belle and Ariel.

I am a Mum to 2 wonderful children - Noah, who has beautiful angel wings and Evie who has a cheeky smile.

Some of you will also know that my husband is Mr Green (he also works at the school).

I LOVE stationery! I have lots at home and in my classroom; some even personalised with my name on.

My favourite colours are pink and purple.

I enjoy reading to my class and have lots of books - I am always looking in book shops for the most up-to-date books.
