

# Looked-After (LAC) and Previously Looked-After Children Policy

**Signed:**

**Chair: R. Patrick**

**Head: B. Wilkinson**

**Date: September 2022**

**Review date: September 2023**

## **Definition**

'Looked After' is a term that refers to children for whom the Local Authority is sharing parental responsibility. This can happen either with parental engagement or when a Court makes a Care Order. The child may be living with foster carers, in a residential unit, with family members or sometimes with their parents. These children are therefore subject to corporate parenting.

This policy includes requirements set out in 'Statutory guidance on the duty on local authorities to promote the educational achievement of children under section 52 of the Children Act 2004' and associated guidance on the education of Looked After Children.

Designated Lead: Mrs A Green

## **Our Vision**

Bursley Academy prides itself on being a place where every child matters. We are a learning community with the highest aspirations for all, enabling children to achieve and support for all individual needs. We believe in nurturing personal and social development, ensuring diversity is valued, self-esteem enhanced and success celebrated. It is an academy that believes in fostering supportive and positive relationships with the wider community and preparing children for the challenges of the future. We recognise that all pupils are entitled to a balanced, broad-based curriculum and aim to promote the educational achievement and welfare of pupils in public care. The academy and the governing body welcomes LAC who may be looked after by our authority or those who may be in the care of another authority, but living in Staffordshire.

Bursley Academy's approach to encouraging and supporting the educational achievement of Looked After Children is based on the following principles:

- Ensuring an appropriately trained Designated Teacher is appointed, who will be responsible for all Looked After children.
- All Looked After Children will have a Personal Education Plan (PEP) drawn up between the school, the child, and the child's social worker, which will identify the child's individual needs and the support they require.
- To provide a safe and secure environment, where education is valued and there is a belief in the abilities and potential of all children.
- Having high expectations for the child and ensuring equal access to a balanced and broadly based education.
- Recording, monitoring, and improving the academic achievement of the child in addition to their health and wellbeing.
- To work with the Virtual School and ensure that carers and social workers of LAC pupils are kept fully informed of their child's progress and attainment.
- Achieving stability and continuity.
- Prioritising reduction in exclusions and promoting attendance.
- Promoting inclusion through challenging and changing attitudes.
- Promoting good communication between all those involved in the child's life and listening to the child.
- Maintaining and respecting the child's confidentiality wherever possible.
- Ensuring staff awareness of, and sensitivity to, the difficulties and educational disadvantages of Looked After Children.

## **Rationale**

Many children and young people who are in care have suffered abuse or neglect. Despite having as broad a range of abilities as their peers, Looked After Children are particularly vulnerable to underachievement. Nationally, Looked After Children (LAC) significantly underachieve and are at greater risk of exclusion compared with their

peers. Their academic and social progress is likely to be affected by their experiences, and compounded by instability in their personal circumstances.

Bursley Academy recognises that Looked After Children can experience specific and significant disadvantage within a school setting, and is committed to ensuring that they reach their potential in all areas. We are aware that Looked After Children may have specific difficulties in transport and attendance, doing homework, getting parental consent for activities, obtaining funding for extra activities, obtaining the correct uniform and equipment, as well as stigma about their circumstances. Bursley Academy recognises that Looked After Children may have very specific needs and may be coping with trauma, abuse or rejection, and are likely to experience personal distress and uncertainty.

Bursley Academy believes that the educational experience of all children should be positive and powerful and aims to provide a learning environment in which every Looked After Child can be successful. We believe that this academy has a major part to play in ensuring that LAC are able to be healthy, stay safe, enjoy, achieve, make positive contributions to society and achieve economic wellbeing.

### **The role of the Designated Teacher**

- Ensure a welcome and smooth induction for the child and their carer, using the Personal Education Plan to plan for that transition in consultation with the child's social worker and arrangements are put in place to ensure their needs identified and met.
- This may include providing basic equipment and resources if necessary and providing appropriate support in meeting uniform requirements if needed.
- Ensure that a Personal Education Plan is completed with the child, the social worker, the foster carer and any other relevant people, at least two weeks before the Care Plan reviews.

- Maintaining an up-to-date record of the Looked After Children in school, including those in the care of other authorities and ensuring all necessary information is passed to other staff as required.
- Ensure that each Looked After Child has an identified member of staff that they can talk to. This need not be the Designated Teacher, but should be based on the child's own wishes.
- Track academic progress and target support appropriately.

### **Confidentiality**

Information on looked after children will be shared with school staff on a 'need to know' basis.

The Designated Teacher will discuss what information is shared with which school staff at the PEP meeting. Once this has been agreed with the social worker, carer, young person, and other parties, complete confidentiality is to be maintained.

### **Record keeping and information sharing**

The Designated Teacher will keep an up-to-date record of Looked After Children and Young People in school and will ensure that relevant information is made known to appropriate staff.

The Personal Education Plan will be initiated within 20 school days of the Looked After Child starting at the school or being taken into care and will be reviewed regularly and as necessary and appropriate to meet the needs of the LAC. The PEP will provide a regular opportunity to review progress, note any concerns and ensure that all relevant parties are informed accordingly.

Copies of reports and appropriate documentation will be sent to authorised carers and agencies involved with the child as well as any receiving school at point of transition.

It is vital that the LAC is aware of information being recorded, in what circumstances and who will have access to it. How this is shared with them will depend on their age and level of understanding.

### **Exclusions**

Bursley Academy recognised that Looked After Children are particularly vulnerable to exclusions.

Where a LAC is at risk of exclusion the academy will try every practicable means to maintain the child in school. A multi-professional meeting will be arranged, bringing together all those involved with the young person to discuss strategies to minimise the risk of exclusion.

The child's Personal Education Plan will reflect strategies to support the child and where relevant those employed in the support plan. All relevant measures and resources will be considered to provide support and provide alternative educational packages to prevent an exclusion from happening.

### **Staff development and training**

Arrangements will be made to ensure that the Designated Teacher is kept up to date with developments relating to the education and attainment of Looked After Children.

Other staff will receive relevant training and support to enable them to work sympathetically and productively with Looked After Children, including those who are underachieving or at risk of underachieving or who have additional needs. These may include EAL, being Gifted and Talented or having learning or physical needs.

Teachers with responsibility for Special Educational Needs provision and for children who are Gifted and Talented will be informed of those Looked After Children who have particular gifts, talents or learning needs and will work with them appropriately.
